Re: **Speed Humps on Lamberton Drive**

Dear Mr. Loughery:

On May 23, 2001, the Kemp Mill Civic Association held its election of officers. The new administration would appreciate some time to re-visit the upcoming installation of flat-top speed humps for Lamberton Drive. Please keep Lamberton Drive's place in queue. We will inform you soon on how to proceed.

Please contact me if there are any developments in the status or scheduling of the speed humps or if you have any questions.
